

Wisconsin Hardy Plant Society

..... Plants for Problem Places

Juglone (Black Walnut) Tolerant Plants:

(excerpted from *Horticulture* 10/86 article by Frank Robinson: "Under the Black Walnut")

Trees & Shrubs:

Acer nigrum—Black maple
Acer saccharum—Sugar maple
Asimina triloba—Pawpaw
Betula nigra 'Heritage'—River birch
Catalpa bignonioides—Common catalpa
Celtis occidentalis—Common hackberry
Cercis canadensis—Eastern Redbud
Clematis terniflora—Sweet Autumn clematis
Clematis 'Red Cardinal'
Daphne mezereum—February daphne
Euonymus europaea—European spindle tree
Euonymus hamiltoniana—Hamilton euonymus
Forsythia suspensa—Weeping Forsythia
Gleditsia triacanthos f. inermis—Thornless honey locust
Halesia carolina—Carolina silverbell
Hibiscus syriacus—Rose of Sharon
Juniperus chinensis 'Pfitzeriana'—Juniper
Juniperus virginiana—Eastern redcedar
Kerria japonica—Kerria
Kerria japonica 'Pleniflora'
Lonicera xylosteum—European fly honeysuckle
Parthenocissus quinquefolia—Virginia creeper
Picea abies—Norway spruce
Philadelphus coronarius—Mock orange
Pinus jeffreyi—Jeffrey pine
Platanus occidentalis—Sycamore
Populus sp.—Poplar
Prunus cistena—Purple-leaf sandcherry
Prunus serotina—Black cherry
Pyrus calleryana—Callery pear
Quercus alba—White oak
Quercus imbricaria—Shingle oak
Quercus rubra—Northern red oak
Sambucus canadensis—American elderberry
Syringa sp.—Lilacs
Thuja occidentalis—American arborvitae
Tilia platyphyllos—Bigleaf linden
Tsuga canadensis—Canadian hemlock
Viburnum lantana—Wayfaring-tree viburnum
Viburnum carlesii—Koreanspice viburnum

Bulbs:

Chionodoxa lucilae—Glory-of-the-snow
 Crocus
Endymion hispanicus—Spanish bluebell
Eranthis hyemalis—Winter aconite

Galanthus nivalis—Snowdrop
Hyacinthus 'City of Harlem'
Muscari botryoides—Grape hyacinth
Narcissus 'Cheerfulness', 'Yellow Cheerfulness', 'Tete-a-Tete', 'Sundial', & 'February Gold'—Daffodil
Scilla siberica—Siberian squill
Tulipa darwin, 'White Volcano', 'Cum Laude', Parrot 'Blue Parrot', Greigii 'Toronto'—Tulip

Herbaceous Perennials:

Ajuga reptans—Bugleweed
Alcea rosea—Hollyhock
Anemone quinquefolia—American Wood Anemone
Arisaema triphyllum—Jack-in-the-Pulpit
Asarum europaeum—European wild ginger
Astilbe species
Athyrium—Lady Fern
Campanula carpatica
Campanula latifolia—Bellflower
Chelone—Turtlehead
Chrysanthemum species—hardy chrysanthemum
Claytonia virginica—Spring Beauty
Convallaria majalis—Lily-of-the-Valley
Dicentra cucullaria—Dutchman's Breeches
Dicentra spectabilis—Bleeding Heart
Doronicum species—Leopard's bane
Dryopteris cristata—Crested wood fern
Echiantheae purpurea—Coneflower
Endymion hispanicus—Spanish bluebell
Galium odoratum—Sweet woodruff
Geranium robertianum—Cranesbill
Gramineae family—Ornamental Grasses
Helianthus tuberosus—Jerusalem artichoke
Helenium—Sneezewort
Hemerocallis species—Daylily
Hesperis matronalis—Dames Rocket
Heuchera x brizoides 'Pluie de Feu'—Coral bells
Hieracium aurantiacum—Hawkweed
 Many Hosta
H. lancifolia

H. marginata
H. undulata 'Variegata'
Iris siberica—Siberian iris (also Bearded Iris)
Monarda didyma—Bee balm
M. fistulosa—Wild bergamot
Myrrhis odorata—Sweet Cicely
Oenothera fruticosa—Sundrops
Onoclea sensibilis—Sensitive fern
Osmunda cinnomnea—Cinnamon fern
Paeonia sp.—Garden Peony
Phlox paniculata—Summer phlox
Phlox subulata—Creeping phlox
Podophyllum peltatum—Mayapple
Polemonium reptans—Jacob's ladder
Polygonatum commutatum—Great Solomon's seal
Primula x polyantha—Primrose
Pulmonaria species—Lungwort
Sanguinaria canadensis—Bloodroot
S. canadensis 'Multiplex'—Double-flowered bloodroot
Sedum acre—Gold moss
S. spectabile—Showy sedum
Stachys byzantina—Lamb's ear
Tradescantia virginiana—Spiderwort
Trillium cernuum—Nodding trillium
T. grandiflorum—Wide wake-robin
Uvularia grandiflora—Big merrybells
Vinca minor—Periwinkle

Plants to Try for Dry Shade:

(Do not have to water once they are established)

Carex—Sedge
 Convallaria—Lily-of-the-Valley
Diervilla lonicera—Dwarf Bush Honeysuckle
 Epimedium—Barrenwort
 Eupatorium—Joe Pye Weed
 Euphorbia—Spurge
 Euonymus
 Geranium—Cranesbill
Helleborus orientalis—Hellebore
 Heuchera—Coral Bells
 Hypericum—St. John's Wort
Lamium maculatum—Spotted Deadnettle
Liriope spicata
Luzula nivea—Snowy Wood Rush
Pachysandra terminalis
Rhus aromatica 'Gro Lo'
Sedum spectabile (light shade)
Symphytum rubrum—Comfrey
 Vinca

Deer Resistant (rarely damaged) Perennials

(Plant list © 2005 Deer-resistant Landscape Nursery, Clare, MI)

Acanthopanax—Aralia
Achillea—Yarrow
Aconitum—Monkshood
Agastache—Anise Hyssop
Alchemilla—Lady's Mantle
Allium—Ornamental Chives
Amsonia—Blue Star
Aquilegia—Columbine
Artemisia—Wormwood
Asclepias—Butterfly Weed
Berberis Thunbergii—Barberry
Buddleia Davidii—Butterfly Bush
Buxus—Boxwood
Calamintha—Calamint
Carex—Sedge (grasslike plants)
Caryopteris—Bluebeard
Cimicifuga—Bugbane
Corydalis
Cotinus—Smokebush
Daphne—Daphne
Dicentra—Bleeding Hearts
Digitalis—Foxglove
Echinops—Globe Thistle
Epimedium—Barrenwort
Euphorbia—Spurge
Fallopia—Fleeceflower
Ferns
Filipendula—Dropwort
Galium—Sweet Woodruff
Geranium—Hardy, Scented Geranium;
Cranesbill
Grasses—Ornamental Grass
(see also Carex)
Helleborus

Hypericum—St. John's Wort
Hyssopus—Hyssop
Iris Siberica—Siberian Iris
Lamium—Dead Nettles
Lavandula—Lavender
Lespedeza
Linaria—Toadflax
Lychnis—Rose Campion
Lysimachia
Lemon Balm
Mentha—Mint
Monarda—Bee Balm
Myrica—Northern Bayberry
Nepeta—Catnip
Nipponanthemum—Montauk Daisy
Origanum—Oregano
Paeonia—Peony
Papaver Orientale—Poppy
Perovskia—Russian Sage
Picea—Spruce
Potentilla—Cinquefoil
Pycnanthemum—American
Mountain Mint
Rheum—Ornamental Rhubarb
Rhus—Sumac
Salvia—Meadow Sage
Saponaria—Soapwort
Stachys—Lamb's Ear
Symphytum—Comfrey
Tanacetum—Tansy
Teucrium—Germander
Thymus—Thyme
Verbascum—Mullein

Rabbit Resistant plants

(*plants are also deer resistant)

Perennials

Achillea—Yarrow*
Agastache—Licorice Mint*
Aquilegia—Columbine
Artemisia—Sage
Digitalis—Foxglove
Gaillardia—Firewheel*
Cranesbill—Hardy Geraniums*
Lavandula—Lavender*
Narcissus—Daffodil*
Nepeta—Blue Catnip
Origanum—Oregano*
Penstemons
Paeonia—Peony
Salvia
Sedum—Stone Crop
Tanacetum vulgare Crispum
(ant repellent)
Thymus species*
Yucca

Shrubs

Caryopteris*
Perovskia—Russian Sage*

Most of these plants have aromatic foliage

Herbaceous Plants With Moderate Salt Tolerance

Artemisia s. 'Silver Mound'—Wormwood
Festuca glauca 'Elijah Blue'—grass
Hosta
Hemerocallis 'Stella d'Oro'—Daylily
Helleborus—Lenten Rose
Heuchera 'Palace Purple'—Coral Bells
Oenothera biennis—Evening Primrose
Sedum 'Autumn Joy'
Prairie Mallow
Yucca glauca—Soap weed

Herbaceous Plants with High Salt Tolerance

Aquilegia—Cliff Columbine
Calamagrostis x acutiflora 'Karl
Foerster'—Reed Grass
Dianthus pulmarianus x allwoodii—
Helen Allwood Pinks
Dianthus x 'Little Boy Blue'—Little Boy
Blue Pinks
Dianthus gratianopolitanus—spotti
Pinks
Lotus corniculatus L.—Bird's Food
Trefoil
Xylorhiza glabriuscula—Common
Wood Aster
Schizachyrium scoparium—Little
Bluestem
Waldsteinia fragarioides—Barren
Strawberry
